

Rules in indoor swimming pools

Sivistys- ja vapaa-aikalautakunta 16.12.2014 §

We try to guarantee with these instructions that the going to the indoor swimming pool is cosy, tidy and safe to everyone. Remember always to observe the rules of the indoor swimming pool, the instructions of the staff and the good manners.

1. The entrance fee entitles a stay in the premises of the indoor swimming pool 2 h. In Urheilutalo there is a separate gym payment. The age limit of the user of the gym is 15 years. The chargings of the card are neither changed nor are redeemed back.
2. The girls who have reached the school age use the women's dressing premises and washing premises and the boys the men's premises.
3. Small children, swim unskilled and the special groups are into the indoor swimming pool with them a person who is responsible for the stay and supervision the person who requires a special care.
4. Big swimming pool allowed to jump to the pool from the deep end. Jumping into the pool of children is forbidden.
5. You wash yourself carefully before the swimming so that the water of the swimming pool will remain clean. Remember to undress the swimming costume for the time of the sauna and the shower. The hair must be either covered with the bathing cap or must be washed before the going into the basin. It is good to bandage the long hair.
6. The swimming has been allowed only in an actual swimming costume. Sports/the shore shorts are not a swimming costume.
7. Swimwear use of the saunas is permitted only with special authorization qualified.
8. Foods or fragile canteens and detergent bottles must not be taken to the dress premises, washing room and basin premises.
9. In the indoor swimming pool one does not get
 - to appear under the effect of alcohol and intoxicants
 - to run, to make noise and not to behave poorly otherwise
 - to behave in the way which is offensive to the sex morality
 - to use webs, snorkels on exceptional permit given other than by the supervisor
 - to hang on the track ropes
 - to use the snuff or the chewing gum
 - to dye hair
 - to use strong perfumes
10. An entrance has been forbidden from the ones having contagious diseases, the dress of the indoor swimming pool, to the washing room and basin premises.
11. The trainings of the groups, schools and sports clubs are kept only in the supervision of the person in charge. The person in charge has to be during the whole training in place of.
12. Every user is in the indoor swimming pool at his own risk.
13. Every user responsible for the storing of the clothes and of other property in the premises of the indoor swimming pool itself. The indoor swimming pool is not responsible for the missing property and the lost property is not responsible according to the law to retain under 20 €, honoured lost property. The valuables are delivered to the police.
14. Instructions given by the staff and regulations concerning order and safety must be observed. The staff has a right to remove from the indoor swimming pool a person/a community which breaks this rule. A periodic gate prohibition can follow from the breaking of rules.
15. You return the keys and rented the tools to the cash desk or to the place that has been pointed to them.
16. In addition to these rules, an indoor swimming pool can be given separately, specific instructions.

Joy of the swimming!
